

# Forever Blessed

Sister Michelle Montanez

---

I am forever blessed

I remember your smile and the sound of your laughter

I still see your expressions when you have that  
determination for something you are after

I can feel the warmth of your embraces from the time  
when you were just but a child

I know you are with me each day when I wake

I know you are with me when you are heavy on my mind

I know you are with me when a simple song, brings loving memories of your  
face

I know you are with me when I long to tell you I love you

Although my heart is sad at times it is not what you think

I am glad for the time I had to share with you and the joy you did bring

One day we will hold hands yet again and of this day only God truly knows

I will cherish the memories and to my heart your memories I will always hold

Today I celebrate and I am so thankful for all that I have

Today I cherish the ones that surround me and try to lift me up when feeling so  
sad

Today I acknowledge my blessing and the lessons I have learned from this life

Today I thank God for turning my wrong to right

I am forever blessed
